

service employees and step three for supervisory service employees.

(2) Wages paid white collar employees shall be an hourly rate for each class. The rate shall be obtained by dividing the general pay schedule step one biweekly rate by 80.

(3) Local civilian personnel offices can assist in determining and providing grade and salary data.

22.1017 Notice of award.

Whenever an agency awards a service contract subject to the Act which may be in excess of \$25,000 and that agency does not report the award to the Federal Procurement Data System, it shall furnish an original and one copy of Standard Form 99, Notice of Award of Contract (see 53.301-99) to the Wage and Hour Division, Employment Standards Administration, Department of Labor, unless it makes other arrangements with the Wage and Hour Division for notifying it of contract awards.

22.1018 Notification to contractors and employees.

The contracting officer shall take the following steps to ensure that service employees are notified of minimum wages and fringe benefits.

(a) As soon as possible after contract award, inform the contractor of the labor standards requirements of the contract relating to the Act and of the contractor's responsibilities under these requirements, unless it is clear that the contractor is fully informed.

(b) At the time of award, furnish the contractor Department of Labor Publication WH-1313, Notice to Employees Working on Government Contracts, for posting at a prominent and accessible place at the worksite before contract performance begins. The publication advises employees of the compensation (wages and fringe benefits) required to be paid or furnished under the Act and satisfies the notice requirements in paragraph (g) of the clause at 52.222-41, Service Contract Act of 1965, as amended.

(c) Attach any applicable wage determination to Publication WH-1313.

22.1019 Additional classes of service employees.

(a) If the contracting officer is aware that contract performance involves classes of service employees not included in the wage determination, the contracting officer shall require the contractor to classify the unlisted classes so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between the unlisted classifications and the classifications listed in the determination (see paragraph (c) of the clause at 52.222-41, Service Contract Act of 1965, as amended). The contractor shall initiate the conforming procedure before unlisted classes of employees perform contract work. The contractor shall submit Standard Form (SF) 1444, Request For Authorization of Additional Classification and Rate. The contracting officer shall review the proposed classification and rate and promptly submit the completed SF 1444 (which must include information regarding the agreement or disagreement of the employees' representative or the employees themselves together with the agency recommendation) and all other pertinent information to the Wage and Hour Division. Within 30 days of receipt of the request, the Wage and Hour Division will (1) approve, modify, or disapprove the request when the parties are in agreement or (2) render a final determination in the event of disagreement among the parties. If the Wage and Hour Division will require more than 30 days to take action, it will notify the contracting officer within 30 days of receipt of the request that additional time is necessary.

(b) Some wage determinations will list a series of classes within a job classification family, for example, Computer Operators, level I, II, and III, or Electronic Technicians, level I, II, and III, or Clerk Typist, level I and II. Generally, level I is the lowest level. It is the entry level, and establishment of a lower level through conformance is not permissible. Further, trainee classifications may not be conformed.
